On the fells competition is rife - not between the children, but with Ajay and Amy! Everyone is keen for the race to begin - but where is Pat with the inner tubes? Thanks to some cheeky sheep playing 'follow the leader' with Jess, Pat has an idea. He and Ted pump up two of the inner tubes and Jess and the sheep pull them like huskies to the fells with the rest of the Special Delivery! Pat zooms in and saves the day - and everyone enjoys the race, including two very cheeky sheep!
07/03/2024	10:15	Postman Pat: Special Delivery Service	Postman Pat And The Bucking Bronco	Hopes are high for this evening's hoe-down on Greendale's village green - especially among PC Selby and Ted, who each harbour hopes of dancing with Dr Gilbertson. Pat's mission is to deliver one of Ted's inventions, a mechanical horse or "bucking bronco", to the event. But when the bronco is accidentally switched on in the back of Pat's van, it rolls away and Pat can't find a way to recapture it. He enlists Amy's help, but jealous Pumpkin pushes the bronco away, making matters worse. Meanwhile PC Selby and Ted are each determined to be the best banjo-playing dancers Greendale (or more specifically, Dr Gilbertson) has ever seen... Pat has a great idea to catch the escaped bronco, using Dr Gilbertson's lasso-throwing skills. As Pat drives her sports car, Dr G throws the lasso - and captures the mechanical horse just in time. As she does a celebratory dance with both PC Selby and Ted, Pat is the toast of the hoe-down. Mission Accomplished!

07/03/2024	11:30	Postman Pat: Special Delivery Service	Postman Pat's Pop Star Rescue	Everyone in Greendale is excited because pop superstar, Brad Lee is coming to Pencaster Bay to perform a concert. Unfortunately Brad's luxury private ship has broken down en route so Pat and Jess must head out to sea in the SDS boat and collect him. Meanwhile Julian, Meera, Bill and Sarah are on the train to Pencaster Bay with their mums to watch the concert. The kids enter into a cacophonous 'sing off' to decide who is the best singer. Pat and Jess collect Brad Lee from his ship only to find that he's afraid of small boats! Pat heads to shore as quickly as possible but unfortunately gets diverted to pick up a poorly puffin from Chris beacon at the lighthouse. Back at the Pencaster Bay the kids competitiveness leads to a dance off against the mums, who do surprisingly well. Pat finally manages to get the poorly puffin ashore to be treated by Amy the vet and Brad Lee goes on to perform a blistering concert by the seaside!

PC Selby is also on his way to Greendale and also finds people in need of help and his best uniform is soon torn and covered in paint and compost! The Duchess and PC Selby meet and wonder quite how they are going to explain their tattered appearance to the crowd at the award ceremony. Luckily Pat explains how both PC Selby and The Duchess put helping others before themselves. Special delivery service – mission accomplished!

There's a snowman building competition, followed by a race down the snowy hill! Pat's Special Delivery is a consignment of deflated inner tubes for them to slide on, but the 4x4 hits an icy patch and slips into a ditch - and when Ted tries to rescue him, his truck gets stuck as well! On the fells competition is rife - not between the children, but with Ajay and Amy! Everyone is keen for the race to begin - but where is Pat with the inner tubes? Thanks to some cheeky sheep playing 'follow the leader' with Jess, Pat has an idea. He and Ted pump up two of the inner tubes and Jess and the sheep pull them like huskies to the fells with the rest of the Special Delivery! Pat zooms in and saves the day - and everyone enjoys the race, including two very cheeky sheep!
30/03/2024	06:15	Postman Pat: Special Delivery Service	Postman Pat And The Bucking Bronco	Hopes are high for this evening's hoe-down on Greendale's village green - especially among PC Selby and Ted, who each harbour hopes of dancing with Dr Gilbertson. Pat's mission is to deliver one of Ted's inventions, a mechanical horse or "bucking bronco", to the event. But when the bronco is accidentally switched on in the back of Pat's van, it rolls away and Pat can't find a way to recapture it. He enlists Amy's help, but jealous Pumpkin pushes the bronco away, making matters worse. Meanwhile PC Selby and Ted are each determined to be the best banjo-playing dancers Greendale (or more specifically, Dr Gilbertson) has ever seen... Pat has a great idea to catch the escaped bronco, using Dr Gilbertson's lasso-throwing skills. As Pat drives her sports car, Dr G throws the lasso - and captures the mechanical horse just in time. As she does a celebratory dance with both PC Selby and Ted, Pat is the toast of the hoe-down. Mission Accomplished!
